

Certificate

Certificate ID: wwC-SK-8587

Kirill Kozyrev

successfully completed the **wingwave**® specification seminar from July 7th-10th, 2022. In this seminar, he proved himself to be capable of combining and making responsible use of the components of NLP, myostatic testing und bilateral hemisphere stimulation as instructed by **wingwave**® coaching. The **wingwave**® specification seminar is 30 hours long.

The conceptual design and implementation of **wingwave**® training are part of the scope of the certified management system established by the BESSER-SIEGMUND-INITIUTS as per DIN EN ISO 9001.

Moscow, Russia – July 10th, 2022
